21 September 2016

Dear Parent / Carer

I would like to take this opportunity to introduce myself, Mr Houldsworth and Mr Nagata who have joined the Maths team at Highbury Grove.

Maths teaching staff 2016-2017

Mr David Shemoon	Head of Maths	Mr Fred Badu	Teacher of Maths
Ms Rachel Murgatroyd	KS5 Coordinator	Mrs Sukhi Dhillon	Teacher of Maths
Mr Harry McNeil Adams	KS4 Coordinator	Mrs Buchi Ijeh	Teacher of Maths
Mr Angus Macwhinnie	KS3 Coordinator	Mr James Nagata	Teacher of Maths
Mr Tony Mullik	Review and Development	Mr Lawrence Houldsworth	Teacher of Maths

We are all very excited to have joined the Highbury Grove Mathematics Department and are very much looking forward to seeing your children develop their maths skills and enjoying their maths lessons.

I am contacting you with regard to your child's textbook. The way in which the department will use textbooks is changing this year. We will no longer be issuing all students with textbooks and as such are requesting that **all students return their textbooks to the library by the end of this week.**

Students will be using the textbooks, together with a variety of other resources, in their maths lessons as usual and textbooks will be available to use in the library or in maths classrooms at any time. The department are developing schemes of work such that they are more tailored to each class and textbooks will be more useful in class than at home. It also saves students having to transport heavy books on a daily basis.

Please do not hesitate to contact me if you have any questions regarding the Maths Department at Highbury Grove.

Best wishes,

Mr Shemoon
 Head of Maths
