13 March 2017

Dear Parent/Carer

I am very pleased to inform you that we have recently received written confirmation from the Music in Secondary Schools Trust that our application for continued funding from September 2017 has been approved. MiSST write:

*MiSST is delighted to confirm that the charity will continue to support music at Highbury Grove for the next 4 years. The quality of provision, the engagement of young people and the standards being achieved are extremely impressive. As Ofsted noted, music remains a strength of the school and many parents, staff and students have expressed to us that music is the heart of all you do.*

*MiSST looks forward to strengthening our partnership with the school and building still further on the excellent practice that already exist.*

Music certainly does lie at the heart of the Highbury Grove community and students across all year groups are stretched, challenged, motivated and inspired by the opportunities that they receive through their engagement with the music programme at Highbury Grove. It is wonderful that this work will continue in its fullest form with the continued support of MiSST.

Regards

Aimee Lyall
