Dear Parent/Carer

Year 10 Information Evening Monday 10th July 5.30pm to 6.30pm

At a recent meeting for parents there were some concern raised regarding the preparedness of our Year 10 students for next year's GCSE Examinations. In response, we would like to invite you to an Information Evening for the parents of Year 10 students on Monday 10th July 5.30pm to 6.30pm.

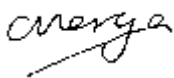

The purpose of the meeting is as follows:

- to provide course information;
- to outline what students should be doing over the summer to prepare for Year 11;
- to share resources that will help students with their independent learning;
- to give information about the support we will provide throughout this critical period in their education.

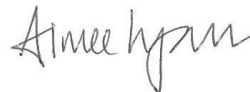

We, senior staff and the Heads of English, mathematics and science will be available to provide advice and guidance.

It is vitally important that we are able to work in partnership to provide support for our young people to achieve their best. As such we very much look forward to sharing this essential information. Thank you for your ongoing support.

Yours faithfully

Clare Verga
